

Calling All Banner Tow and Local Area Pilots... This Seminar Is For You! Part 2

You may attend even if you did not come to Part 1. Banner Tow pilots and local area pilots, this seminar has been designed to provide vital safety of flight information, before you start your summer flying season. This is part two of a 2 part series of seminars geared for the banner tow community and local area pilots. Tonight's program will address the many decisions that a pilot makes during the course of a flight and the many aspects that affect that decision making process. The second presentation will be about weather, weather trending and weather products. Click on the link below and register TODAY.

Directions: Please preregister. Space is limited. We will move to another location on field if over 25 participants register
